Dear Mr Mayor,

Thank you for the reply.Understand.Please advise how soon we can expect a date for a permanent resolution w/o more insane price increases? Which both have been going on for years.

As well,other than Utilities,Inc who will have the last word that the plan to make the necessary upgrades is acceptable?

Respectfully

Jim

Jim -

Thank you for your email and suggestion. Right now, I believe, we are making some progress with UI and we have their attention. I would like to stay on the current path of progress. If things change and we stop making progress and loose their attention, I will be considering reaching out to Corix.

I hope you understand my position.

Regards,

George Sheppard  
Mayor City of Tega Cay, SC
